

Quick Service Restaurant Digital Menu Boards

Olio Cafe

Brisbane Convention and
Entertainment Centre

Brisbane - Australia

Olio Cafe provides an eclectic
Mediterranean inspired cuisine within the
Brisbane Convention Centre Complex

The Challenge

- Empower hospitality staff to manage display/menu boards with limited technical expertise
- Display free to air TV within the menu display for patron entertainment

The Solution

- Leveraging StratosMedia's image slider folder sync feature empowered staff to dynamically alter content, without the need to access content in the CMS
- StratosMedia's streamcast delivers live video sources. This allows free to air TV to be displayed alongside the menu for patron entertainment
- Menu items and prices updated via Excel spreadsheet in conjunction with the StratosMedia data remote tool delivers low-touch content management

The Platform

Featured functionality

- Image slider folder sync
- data remote
- Streamcast

Platform Components

- StratosMedia Core, Digital Signage Engine, Data Engine , Player Engine

Hardware

- Chrome OS Hardware
